WHAT NOT TO PACK

In order for campers to have a great camp experience, **cell phones, MP3 or other music players, video cameras, radios, laptops, video games, and other similar electronic items** should not be brought to camp. If these items are brought to camp, they will be taken up and held in a secure location in the camp office until the end of the camp session.

Expensive cameras and watches should be left at home due to the risk of breakage or loss.

Fireworks, guns, ammunition, and knives are strictly prohibited.
